Day 2: Yerevan (B) Drive to Echmiadzin and visit the cathedral. Later, enjoy a city tour of Yerevan, followed by a visit to the Genocide Memorial. Take some free time to explore the city of Yerevan.

Today we begin by driving to Echmiadzin, Armenia’s ancient capital city. We will stop at its famous cathedral, one of the world’s first Christian churches (built in AD 301). Learn about the cathedral’s history and change in architectural style after it was damaged in the late 400s. Afterward, we drive back toward Yerevan. We will visit the Armenian Genocide Memorial and Museum to better understand and reflect on the first genocide of the 20th century. Commemorating the massacre of Armenians in the Ottoman Empire from 1915 to 1922, the Museum explains the story of this horrific historical event. Over 1.5 million Armenians were systematically killed by the governing Ottoman Empire and then the Republic of Turkey after the fall of the Ottoman Empire. Even today, a century later, Armenia has a population of only 3 million people. Then take a guided wander around the lively and colorful city of Yerevan.
