
GEEO ITINERARY

New Zealand 10/9/2025

Day 1: Auckland Arrive in Auckland at any time. Meet your group for a welcome meeting around 6:00 or 7:00 p.m.

Arrive in Auckland at any time. Due to the potential for flight delays or cancellations, we recommend that you plan to arrive in New Zealand at least a day in advance. This will also give you time to adjust to the time difference and overcome any jet lag. We can book extra hotel nights for you in Auckland before the trip. **Hotel Check-in and Welcome Meeting** Please note that check-in at the hotel is usually around 2:00-3:00 p.m. There are no planned activities until an intro meeting around 6:00 or 7:00 p.m., usually in the hotel lobby. Check for a sign or ask at the reception desk about the exact time and location of the group meeting. Please make every effort to arrive in time for this meeting. If you are delayed and will arrive late, please inform us. Your tour leader will then leave you a message at the front desk informing you of where and when to meet up tomorrow. After the meeting, you might choose to get dinner at a nearby restaurant with your traveling companions and your tour leader to further get to know one another. **Joining Instructions** When you arrive at the airport, you can either take a taxi or use public transportation to reach the Auckland city center: By Taxi - \$70-80 USD, approximately 30 minutes. By Shuttle Bus - \$33 for 1 person, \$8 per additional. The "Super Shuttle" is a 24-hour service that takes approximately 1 hour. The shuttle waits outside of the terminal and provides door-to-door service. By SkyDrive - \$18 NZD (~\$12 USD) per person. Leaves from outside the airport terminal every 10-15 minutes and takes approximately 1 hour and ends at Sky Tower, which is approximately 20 minutes from the hotel on foot. If you have much luggage, you may need to take a taxi from Sky Tower to the hotel - the Super Shuttle may be a better option.

Day 2: Auckland/Rotorua (D) While en route to Rotorua, stop at the Waitomo Glowworm Caves. Take a boat ride through this spectacular underground realm to see thousands of flickering glowworms light up in the dark.

Drive to the lakeside town of Rotorua, situated over an active geothermal zone and known for its volcanic features and rich Maori heritage. Stop en route at the Waitomo Glowworm Caves, where you enjoy a peaceful boat ride through 30-million-year-old caverns covered with magical glowworms that are unique to New Zealand. Hundreds of thousands of these tiny creatures radiate luminescent light in underground caves carved by rivers and time. **Approximate travel time:** 7-8 hrs by private vehicle

Rotorua sits over an active volcano and is home to a number of amazing geothermal parks with bubbling mud pits and multi-colored pools. Opt to visit one of the sites, like Hell's Gate, or go whitewater rafting nearby. Visit the Mitai Maori Village and learn the story of Tamatekapua's migration to Aotearoa via the *Te Arawa* canoe and the Māori/Pasifika connection told in dance form. Find the stairwell just outside the entrance and descend into the foundations of the building to see how the museum is constructed on shock absorbers to withstand New Zealand's many earthquakes. If you opt for a guided tour of the Weta Workshop, you will get a unique behind-the-scenes look at how the workshop helps design some of the world's biggest films. Get up close and personal with props from *The Lord of the Rings* and *The Chronicles of Narnia*.

During a free morning in Kaikoura, opt to follow in the path of Paikea, the Maori "whale rider," and head out to the open seas in search of Giant Sperm Whales as they spray and dive their way through the waters off Kaikoura. Or search for wild dusky dolphins; depending on conditions, most groups have 20-40 minutes of swim time with the dolphins. Next, travel to Hanmer Springs, stopping en route for a wine tasting at a local winery. Upon arrival in Hanmer Springs, opt to take a soak in the hot springs. Approximate travel time: 8 hrs by private vehicle (including stops)

Day 9: Franz Josef (B) Enjoy a free day to explore the area around Franz Josef. Opt to explore the glacier with a heli hike.

There are plenty of optional activities in the area to suit just about any budget and preference. During a helicopter hike, you can take a once-in-a-lifetime helicopter ride high up on Franz Josef Glacier, and then hop out and trek on the white and blue ice. Or you can take a guided interpretive walk that follows ancient glacial pathways carved into the landscape by ice and water along the Franz Josef glacier's retreat. If you'd rather ride than walk or fly, a two-seater ATV quad bike is a great way to explore rainforests, riverbeds, grasslands, sand, and mud. You can also explore the stunning Lake Mapourika by kayak; the lake was created as the Franz Josef glacier retreated 14,000 years ago.
