With over 10,000 pieces from every period of Egyptian history, including the treasures from the tomb of Tutankhamun, the display can be a bit daunting. **Day 5: Cairo/Aswān (B, D) Catch an early morning flight to Aswan. Opt to explore Aswan market. Later, take a scenic felucca ride on the Nile to a Nubian village, where we enjoy a home-cooked dinner with locals.**

This morning, we catch an early flight to Aswān, which has a distinctively African feel. Small enough to walk around and graced with the most beautiful setting on the Nile, the pace of life is slow and relaxing. You might opt to explore the busy Aswān market. Late in the afternoon, we board a local boat, known as a felucca, to take a trip along the magnificent Nile, with views of the Aga Khan Mausoleum and Kitchener Island. We’ll stop on the largest of the Nile islands in this area, Elephantine Island. We’ll walk through a village and its surrounding fields and learn more about the life of the Nubian people. Finally, we enjoy a delicious traditional dinner at a local home. Approximate travel time: 1.5 hrs by plane

**Day 6: Aswān (B, D) Early in the morning, drive to the famed temples of Abu Simbel for a guided tour. Later, board our river cruise ship for the night. Opt to visit the Aswān high dam.**

Early in the morning, we take a private bus to the famed temples of Abu Simbel for a guided tour. The visit allows around 2 hours at the site to wander through the different temples and learn more about the construction, history, and relocation of these magnificently preserved structures. The temples, built by Ramses II between 1274-1244 BC, would now be under Lake Nasser, if not for the wonders of modern engineering. Later, board our river cruise ship for the night and start our luxury riverboat ride down the Nile. Approximate travel time: 6.5 hours by bus

**Day 7: Aswān/Kom Ombo (B, L, D) Spend 2 days floating down the Nile on a luxury riverboat with a guided tour of Kom Ombo Temple en route. In between excursions, relax on the boat decks.**

Following breakfast, we set sail on our 2-day luxury riverboat cruise. Before too long, it is time for a shore excursion with a visit to Kom Ombo, a temple dedicated to Sobek, the crocodile god. It still contains an ancient mummified crocodile. Please note, there is an additional 50 EGP fee to take photos in the Crocodile museum. In between excursions throughout the boat trip, we’ll relax on the decks of the boat with a drink, watching the passing desert sands. Approximate travel time: All day by boat. Overnight aboard luxury riverboat.

**Day 8: Kom Ombo/Luxor (B, L, D) Continuing cruising the Nile, relaxing and taking in the desert scenery while observing daily life along the river. Arrive in Luxor in the evening.**

Today, we continue our Nile cruise, relaxing on board and watching the lovely scenery drift by. Arrive at Luxor in the evening where our boat will moor for the night. Approximate travel time: All day by boat. Overnight aboard luxury riverboat.

**Day 9: Luxor (B, L) Visit the Colossi of Memnon. Enjoy guided tours of the Valley of the Kings and Temple of Hatshepsut. Eat lunch with a local family.**

After checking into our hotel, we enjoy a full-day guided excursion to the famous Valley of the Kings. We will rise early to catch the sunrise from the motorboat that will take you across the Nile to the West Bank. From here, ride through farmer’s fields to reach the Valley of the Kings. Descend the narrow, rock-hewn
corridors and take in the magnificent decoration and designs of the tombs of the pharaohs at the Valley of the Kings. While the treasure is now all gone, the tombs contain the most incredible paintings of the life of their occupant and stories from the Book of the Dead. We will visit three tombs in total and may opt to visit the famous tomb of King (“Tut”) Tutankhamun (an extra 120 EGP each). We then visit the impressive Funerary Temple of Queen Hatshepsut, which seems to rise out of the surrounding limestone outcrops – it’s a reminder of the power women held in the Ancient Kingdom. Our last stop today is the two mammoth statues of Amenophis II at the Colossi of Memnon, which used to stand at the front of a temple. Check out the ancient graffiti discussing the statues. We also enjoy lunch with a local family on the West Bank of the Nile. With what remains of the afternoon, you can explore Luxor at your own pace.

Day 10: Luxor (B) Enjoy an excursion to the magnificent temples of Karnak and Luxor. In the afternoon, use free time to explore the Bazaar or museums.

This morning, we enjoy a visit to the Karnak Temple, once the center of all religious life in ancient Egypt. Built and extended by successive generations of rulers, take time to admire the amazing architecture, massive columns, and painted hieroglyphs. Then we take in the beauty of the Luxor temple, an architectural splendor located near the Nile and right in the center of downtown Luxor. One of Egypt’s most impressive temples, Luxor has been used as a place of worship all the way from its conception in 1390 BC to the present day. Evidence of ancient worship, Coptic Christianity and Islamic architecture are found throughout the temple, illustrating how the regional culture has evolved over several thousand years. In the afternoon, you will have free time to explore on your own. You might choose to wander the bazaar to shop for souvenirs, visit the Mummification Museum to learn about the ancient art of embalming, or take a guided tour of the temples of Habu, Ramsseum and Deir El Medina.

You could also head out to Cairo’s most ancient area, Coptic Cairo, or perhaps relax by the hotel pool.
