This morning we drive to Masada, a UNESCO World Heritage site and stunning rock fortress that was the last stronghold of the Jewish people in their war against the Romans. The story of the site reveals the courage of the defenders of Massada and their battle against the conquering Romans. Opt to hike (or ride) to the top and learn more about this ancient place. Visit Herod's palace, the mikveh, storerooms, watchtowers, and the synagogue. Continue on to the fascinating Dead Sea for what will surely be the low point of this trip. That is because its surface and shores are 1,412 feet below sea level, Earth's lowest elevation on land. The Dead Sea is actually a lake, without any form of life whatsoever in its waters, hence its name. The water is so dense that it is practically impossible to sink and it's five to ten times as salty as regular seawater. While swimming, cover yourself with the sea's mud, which is reputed to have special healing powers, and don't forget to take a photo of yourself reading a book while floating! You will notice that the salt penetrates any cuts on your body and has an unusual smell, but there are showers to wash off under after swimming. Afterward, we will drive to Jerusalem where we will spend the next three nights. Approximate travel time: 1 hr by private vehicle

**Day 6: Jerusalem (B) Take a guided walk through the Old City including the Dome of the Rock, Al Aqsa mosque courtyard, Stations of the Cross, Church of the Holy Sepulchre, and the Western Wall. This afternoon is free to explore on your own.**

After, walk along the Stations of the Cross to the Church of the Holy Sepulchre. Explore the winding alleyways and quarters and continue on to the Western Wall. For this tour you would visit the famed Israel Museum and view the Dead Sea Scrolls, housed in the Shrine of the Book. Continue on to the Mahane Yehuda Market, often referred to as "The Shuk," a vibrant local market full of the sights, sounds, and flavours of the Middle East. A popular spot for locals and visitors, as Jerusalem's largest market, it features fruits, vegetables, speciality food stalls, and numerous spots for food and drink. Wander through the maze of laneways and sample some local treats. Afterwards, stop in at a local establishment for a tasting of craft beers.

The city is an important site to all three major religions of Israel: Christianity, Judaism, and Islam. Then we will visit the Duhaishe Camp for Palestinian refugees. What started as a camp has become a thriving town and here we learn more about the situation of the Palestinians in Israel and what daily life here is all about. Then return to Jerusalem and stop for lunch at the Domari Society of Gypsies to enjoy Domari hospitality as you learn about the unique culture, spices, and handicrafts. This lunch program is creating jobs and training opportunities for women.
