
GEEO ITINERARY

Tanzania

Day 1: Arusha Arrive in Arusha at any time. Meet your group for a welcome meeting around 6:00 or 7:00 p.m.

Arrive in Arusha at any time. Due to the potential for flight delays or cancellations, we recommend that you plan to arrive in East Africa at least a day in advance. This will also give you time to adjust to the time difference and overcome any jetlag. We can book extra hotel nights for you in Arusha before and/or after the trip. The closest airport to Arusha is Kilimanjaro International Airport (KIA). If you will be coming to Arusha from Nairobi (approximately six hours by land, including the border crossing), we can pre-book a seat for you on a public shuttle bus that leaves Nairobi daily at 8:00 a.m. There are also direct flights from Nairobi to Kilimanjaro International Airport with Precision Air that take about one hour. Please note that check-in at the hotel is usually around 2:00-3:00 p.m. There are no planned activities until an intro meeting around 6:00 or 7:00 p.m., usually in the hotel lobby. Check for a sign or ask at the reception desk about the exact time and location of the group meeting. Please make every effort to arrive in time for this meeting. If you are delayed and will arrive late, please inform us. Your tour leader will then leave you a message at the front desk informing you of where and when to meet up tomorrow. After the meeting, you might choose to get dinner at a nearby restaurant with your traveling companions and your tour leader to further get to know one another.

Day 2: Arusha/Mto wa Mbu (B, L) Experience the Mto wa Mbu village with a guided cultural walk and traditional lunch with a local family. Take a wildlife safari drive in Lake Manyara NP.

Travel to Mto wa Mbu village and take part in a cultural walk to learn about life in this East African town. Mto wa Mbu has attracted some 18,000 residents from 120 different tribes. During the two-hour tour, visit the village's local market, walk in the farmer's fields, see how huts are constructed, and meet artisans in their shops. Afterward, sit down with our new friends and enjoy a traditional lunch of meat and plantains. Spend the afternoon viewing wildlife along the main road that winds through the lush cool forests of Lake Manyara National Park, overgrown with ficus trees and covered with bromeliads. This western wall of the Rift Valley escarpment is truly stunning. It provides a backdrop for your search for the park's phenomenal birdlife (including raptors), tree-climbing lions, elephants, zebras, hippos, baboons, and buffalos. Look up and see some of the more than 400 species of birds, including pink flamingos, pelicans, cormorants, and storks. Beyond wildlife, Lake Manyara NP is home to giant fig trees, acacia woodlands, mahogany trees, and grassy flood plains. The contrasts of this area are simply breathtaking; the open plains, huge escarpment, central alkaline lake, dense woodlands, and distant volcanic peaks coming together in an area best described by Ernest Hemingway as "the loveliest I have seen in Africa." Approximate travel time: 2-3 hrs by 7-seat 4x4 safari vehicle

Day 3: Mto wa Mbu/Serengeti National Park (B, L, D) Enjoy a wildlife safari drive en route to the central Serengeti.

Drive through the Ngorongoro Conservation Area and on to Serengeti National Park. Marvel at the sheer vastness of this territory, and spot the multitude of animal and birdlife while cruising through this acacia-accented savanna. Your eagle-eyed driver will keep an eye out for wildlife – buffaloes, elephants, lions, wildebeests, zebras, and more. Tanzania's Serengeti tends to be less crowded than some of Kenya's reserves, so enjoy the scenery, the vast expanse of the grasslands, the play of light and shadow, and the up-close look at wild Africa. Approximate travel time: 8-9 hrs by 7-seat 4x4 safari vehicle

Day 4: Serengeti National Park (B, L, D) Rise early for a morning wildlife safari drive, returning in time for lunch. Continue the search for the "big five" in the afternoon while taking in the vastness of the Serengeti plains.

Rise early for a morning wildlife safari drive, returning in time for lunch. Continue the search for the "big five" in the afternoon while taking in the vastness of the Serengeti plains. You have the option of booking a hot air balloon safari (\$579 USD per person). Spirited aloft in a hot-air balloon, view the wildlife and terrain of the Serengeti that only the birds see. Enjoy a champagne breakfast and keep that shutter-finger good and limber—you'll be using it plenty over the course of your hour in the air. If you have pre-booked a Serengeti Balloon Safari, your flight will be in the morning. You will miss the morning wildlife safari drive with the group, but you will have spectacular views from above. Approximate travel time: Most of the day in a 7-seat 4x4 safari vehicle on safari

Day 5: Serengeti National Park/Ngorongoro (B, L, D) Take a morning wildlife safari drive as you depart the Serengeti, then continue wildlife viewing in the Ngorongoro Crater, before getting a spectacular view of the crater from your campsite on its rim.

Take a morning wildlife safari drive as you depart the Serengeti, then continue wildlife viewing in the Ngorongoro Crater. Head down into the crater and to all the best spots to view wildlife. Spot zebras, gazelles, buffaloes, and warthogs. The swamp and forest are home to hippos, rhinos, elephants, baboons, and monkeys. Keep your eyes peeled and camera ready to capture a pride of lions or a lone leopard walking along the crater floor. The rich pasture and permanent water of the crater floor supports a resident population of more than 20,000 to 25,000 large mammals. Approximate travel time: 4 hrs by 7-seat 4x4 safari vehicle on safari

Day 6: Ngorongoro/Arusha (B, L) Visit an authentic Maasai village and the G Adventures-supported Clean Cookstove Project, then return to Arusha for the night.

Visit a Maasai village in the Monduli District and witness the benefits of the Clean Cookstove Project. In Tanzania, 95% of people rely on cooking with wood and coal. Women and girls spend hours walking to collect wood every day (making them vulnerable to assault and unable to use their time to go to school). Indoor smoke from open-fire stoves causes cancer, emphysema, pneumonia, blindness, and burns. Take a guided tour of these villages and meet the women that have been trained as stove engineers, visit bomas (traditional homes), and observe (or get your hands dirty) by helping the Stove Team build a stove in a home. See the beneficial impact of the clean-burning stoves on the health and daily lives of the Maasai villagers, especially the women. We arrive in Arusha this evening, back to our start hotel. Approximate travel time: 4-5 hrs by 7-seat 4x4 safari vehicle

Day 7: Arusha (B) A free day to explore Arusha, or relax at the lodge.

Enjoy a free day to explore Arusha, or relax at the lodge. Opt to visit the National Natural History Museum, also known as the Old Boma, an old German military outpost that showcases the natural history, wildlife, and culture of Tanzania. The best part of the museum is the wing dedicated to human evolution, featuring fossils found in Tanzania. The privately-owned Cultural Heritage Centre is a unique collection of shops and galleries on the outskirts of Arusha. The spectacular building has a large collection of African art, as well as a restaurant and a shopping center with locally handcrafted items. There is no entrance fee. Maasai Market Curios and Crafts is the perfect place for street shopping, with over one hundred vendors selling souvenirs, arts, and crafts located just beneath the huge clock in the centre of town. Practice your bargaining skills, because prices can be dirt cheap or tourist expensive

Day 8: Arusha/Stone Town (B) Fly to the beautiful island of Zanzibar and transfer to the hotel. Enjoy an orientation walk with your tour leader in historic Stone Town, and opt to continue on for a longer walking tour, or explore on your own.

Transfer to the airport for a short but scenic flight to this island paradise. The flight from Arusha/Kilimanjaro Airport to Zanzibar is unaccompanied, and you will be met by your local Zanzibar

guide on arrival. Your tour leader will give you all the relevant flight information. Arrive in Stone Town in time for lunch and an orientation walk. If you opt to continue on for a longer tour of Stone Town, you will be visiting the Old Slave Market, House of Wonders, Palace Museum; entrance to these sites is optional and are to be purchased on site. Approximate travel time: 1 hrs by private vehicle, 1.5 hrs by plane

Day 9: Zanzibar Beach Resort (B) Visit a local spice plantation for a guided tour. Continue to the white-sand beaches and turquoise waters of Zanzibar's beautiful coast.

This morning we visit a local spice plantation for a guided tour. Delight your senses and learn about an assortment of spices, such as cloves, black pepper, cardamom, cinnamon, nutmeg, breadfruit, jackfruit, vanilla, and lemongrass, and their various uses. It was the spice plantations that brought the beginnings of Zanzibar's infamous slave trade dating back to the 1840s.
