Airports: The closest airport to Arusha is Arusha Airport (ARK), but most airlines flight into **Kilimanjaro International Airport (JRO)**. If you will be coming to Arusha from Nairobi's **Jomo Kenyatta International Airport (NBO)** (approximately six hours by land, including the border crossing), we can pre-book a seat for you on a public shuttle bus that leaves Nairobi daily at 8:00 a.m. There are also direct flights from Nairobi to Kilimanjaro International Airport with Precision Air that take about one hour.

Consider arriving 1-2 days early to explore the city, adjust to the time zone, and buffer against flight delays. We can request extra hotel nights for you before the program begins.

Hotel Check-in and Welcome Meeting

Hotel check-in is normally between 2-3 p.m. Check with reception for the exact time and location of the group welcome meeting, typically between 6-7 p.m. Please make every effort to attend this meeting. If you're running late, send a message in the group WhatsApp or call the emergency number on your trip voucher so that your tour leader can let you know where and when to meet the group.

After the meeting, you might choose to get dinner at a nearby restaurant with your traveling companions and your tour leader to further get to know one another.

Day 2: Arusha/Mto wa Mbu Experience the Mto wa Mbu village with a guided cultural walk and traditional lunch with a local family. Take a wildlife safari

drive in Lake Manyara NP.

Travel to Mto wa Mbu village and take part in a cultural walk to learn about life in this East African town. Mto wa Mbu has attracted some 18,000 residents from 120 different tribes. During the two-hour tour, visit the village's local market, walk in the farmer's fields, see how huts are constructed, and meet artisans in their shops. Afterward, sit down with our new friends and enjoy a traditional lunch of meat and plantains.

Spend the afternoon viewing wildlife along the main road that winds through the lush cool forests of Lake Manyara National Park, overgrown with ficus trees and covered with bromeliads. This western wall of the Rift Valley escarpment is truly stunning. It provides a backdrop for your search for the park's phenomenal birdlife (including raptors), tree-climbing lions, elephants, zebras, hippos, baboons, and buffalos. Look up and see some of the more than 400 species of birds, including pink flamingos, pelicans, cormorants, and storks.

Beyond wildlife, Lake Manyara NP is home to giant fig trees, acacia woodlands, mahogany trees, and grassy flood plains. The contrasts of this area are simply breathtaking; the open plains, huge escarpment, central alkaline lake, dense woodlands, and distant volcanic peaks coming together in an area best described by Ernest Hemingway as "the loveliest I have seen in Africa."

Your eagle-eyed driver will keep an eye out for wildlife - buffaloes, elephants, lions, wildebeests, zebras, and more. Tanzania's Serengeti tends to be less crowded than some of Kenya's reserves, so enjoy the scenery, the vast expanse of the grasslands, the play of light and shadow, and the up-close look at wild Africa.

Day 6: Ngorongoro/Arusha Visit an authentic Maasai village and the G Adventures-supported Clean Cookstove Project, then return to Arusha for the night.

Visit a Maasai village in the Monduli District and witness the benefits of the Clean Cookstove Project. In Tanzania, 95% of people rely on cooking with wood and coal. Women and girls spend hours walking to collect wood every day (making them vulnerable to assault and unable to use their time to go to school). Indoor smoke from open-fire stoves causes cancer, emphysema, pneumonia, blindness, and burns. Take a guided tour of these villages and meet the women that have been trained as stove engineers, visit bomas (traditional homes), and observe (or get your hands dirty) by helping the Stove Team build a stove in a home. See the beneficial impact of the clean-burning stoves on the health and daily lives of the Maasai villagers, especially the women.

We arrive in Arusha this evening, back to our start hotel.
