
GEEO ITINERARY

Sri Lanka 6/30/2025 w/ UPenn

Day 1: Colombo Arrive in Colombo at any time. Meet your group for a welcome meeting around 6:00 or 7:00 p.m.

Arrive at any time in Colombo, the capital and largest city of Sri Lanka. The airport is **Bandaranaike International Airport (CMB)**. Due to the potential for flight delays or cancellations, we recommend that you plan to arrive in South Asia at least a day in advance. This will also give you time to adjust to the time difference and overcome any jet lag. We can book extra hotel nights for you in Colombo before the program begins. **Hotel Check-in and Welcome Meeting** Please note that check-in at the hotel is usually around 2:00-3:00 p.m. There are no planned activities until an intro meeting around 6:00 or 7:00 p.m., usually in the hotel lobby. Check for a sign or ask at the reception desk about the exact time and location of the group meeting. Please make every effort to arrive in time for this meeting. If you are delayed and will arrive late, please inform us. Your tour leader will then leave you a message at the front desk informing you of where and when to meet up tomorrow. After the meeting, you might choose to get dinner at a nearby restaurant with your traveling companions and your tour leader to further get to know one another. **Joining Instructions** The airport in Colombo (Bandaranaike International Airport, also known as Colombo International Airport and Katunayake International Airport) is around 32 km north of the Colombo city center. If you have paid in advance for an arrival transfer, a G Adventures representative will be at the airport to meet you. Your arrival transfer will be arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please call this support number for our local G Adventures Transfer providers: Chaminda Paranavitana Tel.: (+94)112 308 308 | Ext.: 5917 | Mob.: (+94)77 5222 800 (+94) 70 585 3952 Tharanga Siriwardhana Mob: +94 77 642 4060 Worst case, you can take a taxi to your start point hotel. If you decide not book an arrival transfer through GEEO, please be aware that taxi drivers often overcharge. We recommend using the prepaid taxi service offered at the airport - you can make the arrangements at designated counters outside the baggage-claim area after passing through several bank counters. You will be able to change money into the local currency (Sri Lanka Rupee) at exchange counters open 24 hours at the airport. The Airport Taxi service, supervised by the Airport & Aviation Services, operates a counter in the arrival lobby and accept Sri Lanka Rupees. Please hire the vehicle from this counter & make the full payment. They will provide you an official receipt. Unfortunately scammers have set up similar services, so make sure the counter is operated by The Airport & Aviation Services. Your destination, the time of your arrival and the amount of luggage determine the rate, which you pay in advance at the counter. A person will escort you to the designated taxi. If the driver demands more rupees, politely refuse, if they have driven safely you may like to tip him around SLRS 100.
