GEEO ITINERARY

Amalfi Coast 4/3/2027

Day 1: Naples Arrive in Naples at any time. Meet your group for a welcome meeting around 6:00 or 7:00 p.m.

Arrive at any time. There are no planned activities until the Welcome Meeting in the evening. The nearest airport is the **Naples-Capodichino International Airport (NAP)**.

You can also fly into **Rome's Leonardo da Vinci-Fiumicino Airport (FCO)**, transfer to Roma Termini train station, and take a 1.5-hour train from Rome to Naples for approximately €60–70 one way (including the Leonardo Express train from the airport to Roma Termini).

Hotel Check-in and Welcome Meeting
Hotel check-in is normally between 2–3 p.m. Check with reception for the exact time and location of the group welcome meeting, typically between 6–7 p.m. Please make every effort to attend this meeting. If you're running late, send a message in the group WhatsApp or call the emergency number on your trip voucher so that your tour leader can let you know where and when to meet the group.

After the meeting, you might choose to have dinner at a nearby pizzeria with your traveling companions and your tour leader to get to know one another further.

Joining Instructions
From Naples-Capodichino Airport (NAP): Take a taxi to the hotel for a fixed fare of €21, or take the Alibus (€5 | ~15min) to Piazza Garibaldi central train station. The hotel is a 5-minute walk from the station.
From Rome Fiumicino Airport (FCO): (€60-70 | ~2.5hrs total) Take the Leonardo Express train from Fiumicino Airport to Roma Termini, then the Frecciarossa high-speed train from Roma Termini to Napoli Centrale. Book tickets at Trenitalia. The hotel is a 5-minute walk from Napoli Centrale.

The B&B Hotel Napoli is centrally located, has good reviews, and is great for exploring the city's top sights on foot. That said, central Naples, especially the area near the train station, **can feel busy, loud, and rough around the edges**—especially compared to other Italian cities. We recommend following your tour leader's guidance, avoiding wandering alone at night, and using standard city awareness. G Adventures and GEEO travelers have stayed at this hotel for years without incident.

Note that hikes are accessible for all travellers, but there can be sections that are more strenuous and challenging due to terrain. Please ensure you have proper hiking footwear.

A note from GEEO: The exact route your group will take can vary, but if you complete the full hike, expect 8 to 12km over rocky terrain, including well over a thousand stairs along the way. The trail is perfectly doable in tennis shoes or hiking sandals, but make sure the soles have a good grip. Hiking poles and boots can also be rented in Agerola if needed.

The hike ends in Positano, giving you the chance to explore this beautiful town before heading back to rest. A sorbetto al limone is the perfect way to celebrate a long day of hiking along the Amalfi Coast.
